A wedding day is a very special occasion. Every moment of the day is a unique memory. Let us capture these memories and preserve them with a selection of high quality photographs specialised to your requirements.

It is important that we build a relationship with you to enable us to provide the individual service which sets us apart and will make your wedding unique.

To this end we offer an engagement shoot in the studio with a 10in by 8in photograph of you choice these are included in the price of the Wedding.

We offer a selection of black and white, colour or sepia photographs taken in formal and informal groups. Reportage is also a speciality of ours.

Each wedding is different therefore we will make an appointment with you to discuss fully your dream photographs and this will help the day run smoothly with a relaxed, enjoyable atmosphere.

We offer the following wedding services:

Engagement shoot in the studio with a 10" by 8" Photograph.

Bridal and groom photographs before the wedding, the church or hotel service and some photographs at the reception, this is generally in the order of 4 hours. A DVD which plays on a television will be provided for you to choose the images you want, and for you to keep.

A further DVD which contains 200 – 300 high quality digital images in a high resolution format, normally JPEG, TIFF, or DNG this enables you to use your images in the future as you see fit.

This will include all of the above £650

All the above until the first dance £950

We then offer additional services, you choose what you want!

20 photographs 8" by 6" in an album of your choice from £200

40 photographs 8" by 6" in an album of your choice from £300

Small Parent Album from £100

Framed 15" by 12" from £50

Acrylic Image 12" by 12" from £100

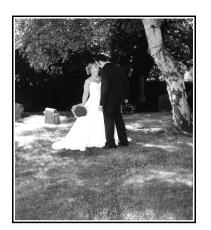

Image Books from £100

Additional DVDs printed and boxed £50

If you have any other individual requests these can be included in the packages listed above.
